

Tahincoglu Holding is moving into Palladium Tower together with its affiliates!

Palladium Tower, one of the most prestigious A+ office projects of the Anatolian side of Istanbul, continues to be in demand by world's leading companies. Along with the acceleration of its construction work, Palladium Tower is anticipated to be completed before the target delivery date in December. Tahincioglu Holding, Tahincioglu Real Estate and Nida Insaat will be moving into the top 3 floors of Palladium Tower. The new building draws much more attention with the completion of its rough construction.

Tahincioglu, under the spotlight with its investments in the field of office project development, has completed an A plus office project, **Palladium Tower** in Atasehir, Istanbul. The building floors are being rapidly rented by world's leading companies. Along with the acceleration of the construction works, Palladium Tower, located right across the Palladium Atasehir AVM is anticipated to be completed before the target delivery date in December. **Tahincioglu Holding, Tahincioglu Real Estate** and **Nida Insaat** will be moving into the 40th 41st and 42nd floors of **Palladium Tower**. The new building draws much more attention with the completion of rough construction. **Palladium Tower** becoming the favourite of the world's leading international companies and anticipated to be a **43-storey** building along with the lounge area located at the top floor will offer much more than an office to the guests with a total of **55,000 m²** leasable area, **BMS (Building Management System)** intelligent building system and **Leed Gold** certification.

Palladium Tower is a smart building having 3.90 m roof height and features as heating, cooling, ventilation, irrigation, energy monitoring, earthquake resistant Class A facade and developed by taking into consideration the basic needs and safety of the guests in case of emergencies like fire also draws attention with social facilities. In the project having a total of 100.000 m² construction area, there are 9 meeting and seminar rooms having capacities ranging from 15 to 250 people, cafeteria, gym, shoe shine, dry cleaning, and hairdressers as well as a Lounge area at the height of 170 m for those who want to get away from the stress of work.
