Tahincioğlu Real Estate, real-estate investment and development company of Tahincioğlu Holding, which builds shopping malls, residences, housing and office projects, is meeting foreign investors in **Mipim 2013**, real estate investment fair organized in Cannes between October 12-15, which will host Turkey as guest of honor.

Tahincioğlu Real Estate is the briefcase sponsor of MIPIM

Tahincioğlu is getting ready to come together with international investors in MIPIM 2013 Fair, in the stand no. R29-39 in the main fair building Riviera Hall, and in the stand no. RSV 15 in Turkish Pavilion, to introduce its Palladium Tower Project in Anatolian Side. Tahincioğlu Real Estate also assumes the sponsorship of briefcases to be distributed to 10 thousand people estimated to visit MIPIM 2013 fair.

Özcan Tahincioğlu: We Are Participating to Mipim 2013 Fair with Palladium Tower

Tahincioğlu Real Estate Chairman Özcan Tahincioğlu stated that they work meticulously to select the best locations for their projects, and said, “We have a total of 1.5 million m² of construction area so far, and we are expanding this area every day. As Tahincioğlu Real Estate, we will introduce our projects in Mipim 2013 Fair, emphasizing their locations and their environmental sensitivity to energy-friendly investors. One of our main objectives is to ensure an increase in investments to Turkey. We believe that our Palladium Tower Project will attract a lot of interest from foreign investors in Mipim 2013 Fair”.

The most prestigious Office Project of Anatolian Side, Palladium Tower...

A prominent player in especially commercial real estate projects, **Tahincioğlu Real Estate**, is building **Palladium Tower**, the most prestigious office project of Anatolian Side, in Ataşehir, one of the most central locations of İstanbul. Palladium Tower is estimated to have 43 floors; it is getting ready to provide its guests with more than just an office, with a total of 55.000 m² leasable area, BMS (Building Management System), Smart building system, Leed Gold certificate features and Feng Shui philosophy-compliant design.
